

**Mami
-san
in a
pinch
while
going
to see
a
movie**

**A
manga
about**

*So cute
nobody in
the world
would be her
enemy!*

I know how
much you must
suffered how
much you must
worked how
many tears you
have shed

It's alright
that's right
now

I obviously
can't leave
you alone
anymore

It's okay I
will now I
haven't
realized it but
now I feel
right

Ah
Mama-
saaaan!

I
was so
intrigued
I must say
I really
have a
good
eye

I was
really
moved!
That was
a nice
movie

Aaah

Yes, just shopping for some clothes.

What a coincidence!

Oh, Kaname-san!

Out for a walk, Kaname-san?

Yes, kind of, but now I'm free.

Did you have some business, Mami-san?

Th-Then, I've got something to ask you...

It's called "Far Away in the Circles", can we see it together?

I've heard that there's a really interesting movie out now.

Huh?!
Al-
ready?!

Well, I
gotta
go
now.
See ya
Mami!

As I
thought,
three
times in
a row is
just too
much.

Wow,
that was
quite
interesting,
especially
that red
haired girl.

It's so sad
being
alone. I'll
stay with
you.

Beep
beep
beep

I have to
take a
break...

I'm quite
tired now.
I've seen
soo many
movies, my
head feels
heavy...

Uh?
Don't tell
me...

A friend of
mine just
boom
mended me a film
to watch.
Mami,
go see it.
Coolest.

Ah,
Mami, can
are you
free now?
Where are
you?

Hello?
What's
up, Mami-
san?

I'm in
town.

Cool!
Just in the
right
place!

If a
Mami-
san...

OGUN-KA-DO
Miki Sayaka

It's called
"Far Away
in the
Circles"

Well then
see you
tomorrow
Mami-san!

tremble

tremble

Aaah
four times
in a row
my head...

I am really
an idiot...

That girl
sure is
dumb -!

Are you
out
shopping?

Such a
coincidence
meeting
you here
like this

Akami-
sasan!
